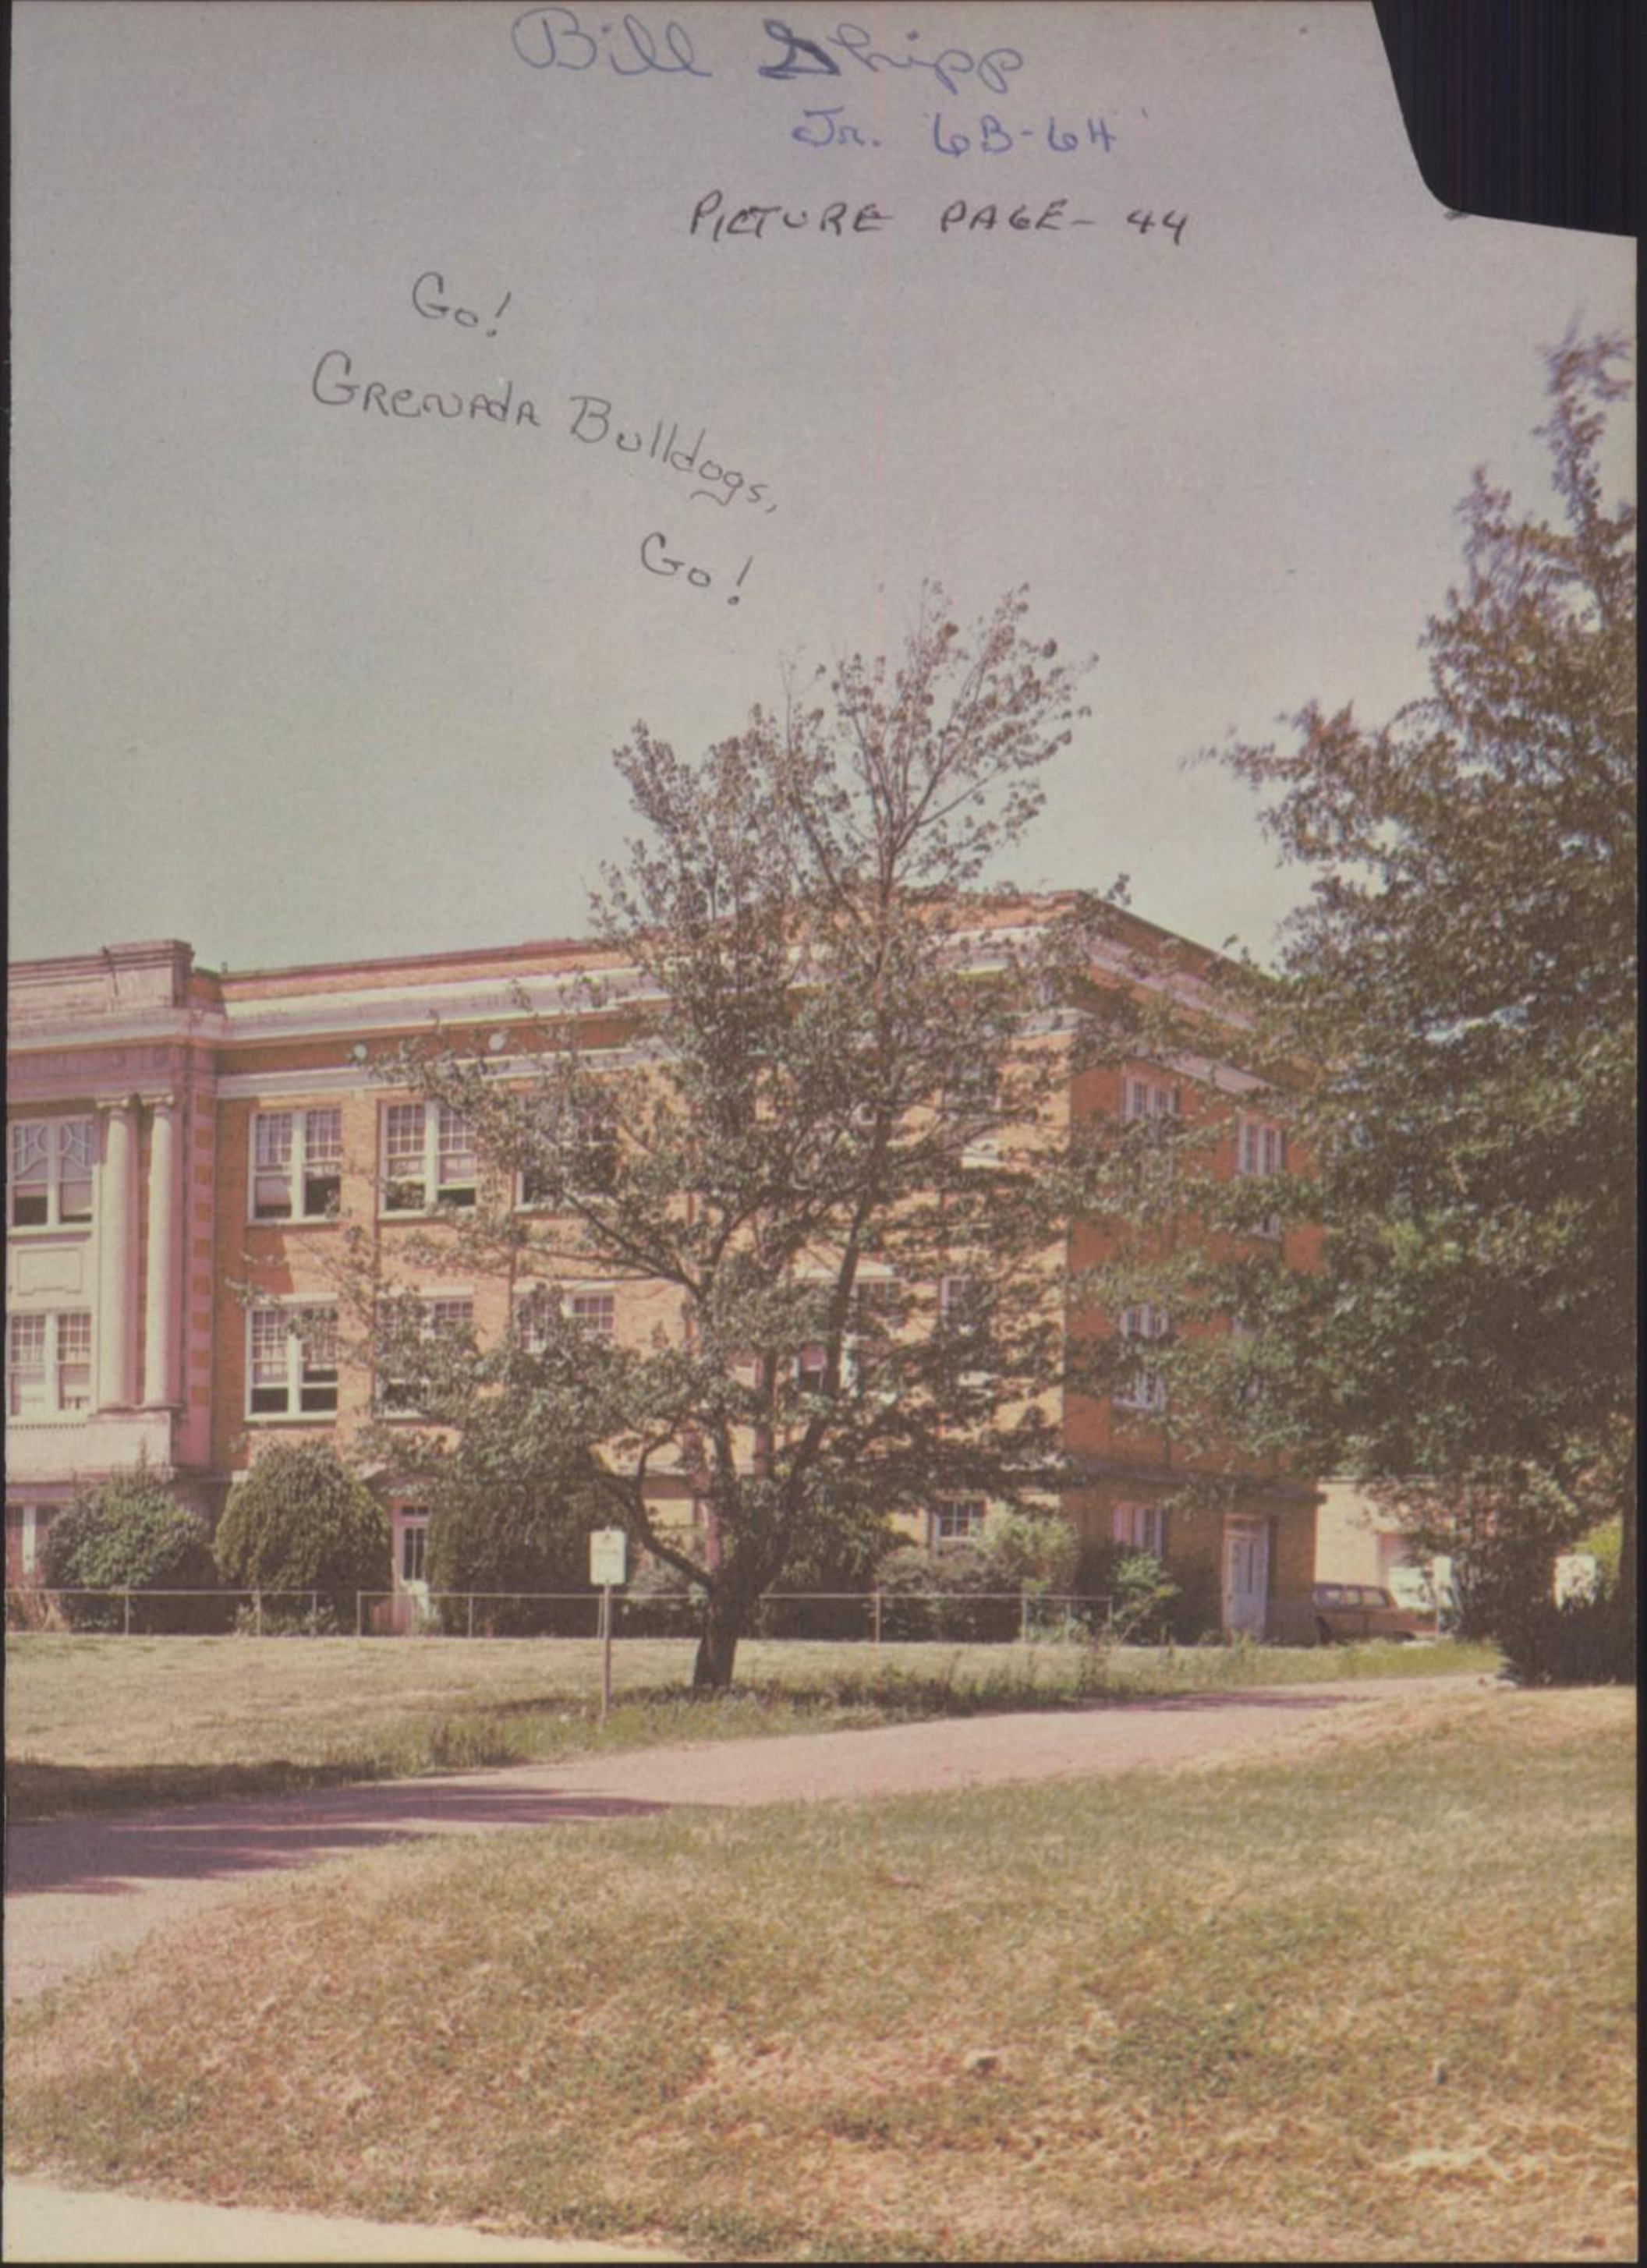
Go!

Grenada Bulldogs,

Go!



Bill,

We only have one more year to go at J.R.H.S. Lets make it the most memorial year of them all. The only way I know how to do this is to get in there and slug it out and win the D.V.C. next year.

Take it easy this summer and come to see me at the Beach.

Memories Are Made of This

When you think of a high school, what do you see?
This is the picture that comes to me;
A high school is people--teenagers and all.
It's assemblies and classes and a rush in the hall.
It's panic at report cards; it's white and red;
It's thrills and excitement that will never be dead.
A high school means projects and clubs with their fun,
And everyone working till all tasks are done;
Tense moments at ball games--will we win are not?
That "Bulldog Spirit" means more than we thought.
What is your high school? What is its story?
We've told it here in all of its glory.

To the Bulldog Staff and
Student Body of John Rundle High School

To some of you this yearbook will be a symbol of the approaching end of your activities in this school. We trust that your years here may have been both happy and rewarding, and that your initial goal has been reached - even exceeded. It is our earnest hope that you may leave this school endowed with the mental, moral,and spiritual preparation which will direct you to higher aspirations, worthwhile goals, and splendid achievements.

To those of you who have other years as members of this student body, we expect you to step into the places vacated by the class of 1964, and to carry on in a fine way the traditions, responsibilities, and fine school spirit which have always been characteristic of this student body. It is our belief that you will respond to the challenge in such a fine way that when the time comes for you to leave the halls of this institution, it may be said of you that the school is better for you having been here.

Sincerely yours,

J. C. Hathorn

A school may only function properly through efficient leadership. The Faculty of John Rundle High School has provided this leadership. They teach the knowledge necessary for academic learning. They help the student grow mentally and physically. They provide guidance when needed. They are always available for extra help and advice. They answer above and beyond the call of duty. In memory of . . .

Freddie Muehlmann

God hath not promised

Sun without rain,

Joy without sorrow,

Peace without pain;

But He hath promised

Strength for the day,

Rest for the weary,

Light for the way,

Grace for the trials,

Help from above,

Unfailing sympathy

Undying love.

You're a very fine football player and I'm sure with you in the middle of the line how can we fail. I mean this. Personally I think Coach Brathon got you to play. He was a fine man, don't you think so. Been nice knowing you.

Dearest Bill -

Hello! Man have I enjoyed knowing you this year. We haven't had any classes together, like last year - I hope next year is better! This year has passed quickly - sometimes I think too quickly! It's really been fun! I hope that you will have success in life.

With love always,
Mary Jo

Bill,

you had better watch out who you follow. One of the days a 61 blue is not going to be driven by white and boy will you be in trouble then. I really hope that you have the best of everything in life. I hope were friends forever

Larry

Bill-

You didn't ask me to sign this but I'm going to anyway! Man we had some good times last summer, didn't we? It was GREAT getting to know you and I hope we'll be friends for a long time.

Love ya,
Sandy

My dear Bill,

We have had our little misunderstandings, but "true love never runs smooth!" You really have helped make life more pleasant, sometimes! Of course you have made life pretty miserable at times too.

I must confess I don't understand why you feel the way you do about me, or how you ever arrived at ~~that~~ the idea that I was a perfect or the kind of girl you wanted. Goodness knows, I'm far from perfect and not exactly the kind of person anyone would want.

You have been wonderful! All those times you let me drive your car, and took me places just cause I wanted to go. What would I have done without you?

You are a sweet and wonderful guy! Never ever change! Maybe one day I can make up for being such a brat! Honestly, being the new girl just must have changed me. I really am sorry for all the goofy things I've done! I'll never forget you!

I love you! Barbara

Dear Bill,

How shall I begin this except to say you are just wonderful and that I love ya for it. You are just too good for your own good. You are special. I'll never forget my junior year and you. You have made it unforgettable. I'll never forget all those wonderful times that you, Barbara, and I have had togetha. We had a blast!!! I'll never forget ~~when~~ that Saturday night when you brought "Willie" down - that almost killed me!!! (Ha-Ha!)

I must confess that we had some difficult times (with Barbara) I wish you could have got her for good - maybe one day you will. Who knows?? I guess that's the way things are and I guess it is for the best.

You are wonderful boy. Promise me you will stay that way forever. If you do, you will have everything in life.??? Thank you for all the fun (and tears)

Love,
Dianne

Thank you for the help (which did no good) with Bill West. I love you for it.
